### Remarks

This is the kind of home that instantly feels welcoming. With no HOA and a bright, open layout, this 3-bedroom, 2-bath home is made for comfortable everyday living. Vaulted ceilings, thoughtful wall niches, and upgraded fixtures add character without feeling overdone. The kitchen opens easily to the living space and includes a breakfast bar and all appliances perfect for busy mornings or casual dinners. The primary suite offers a true retreat with a walk-in closet, dual vanities, and a private toilet room. You'll also appreciate the oversized laundry room with plenty of storage. Out back, unwind under the covered patio while enjoying a fully fenced, beautifully landscaped yard. A 2-car garage with recessed lighting and EV charging completes the package. Move-in ready and easy to love.
